1889 "Strong as the Strongest" 1913

Hon. Wm. Jennings Bryan Said in His Speech in this City--

"Banks Exist for the Accommodation of the Public"

This is undoubtedly true, and the Savings Bank has consistently followed this course for a quarter of a century. That its methods are appreciated is best proven by the success attained. The many thousands whom we have helped are our friends to-day. The Savings Bank is created for the thrifty wage-earner; it safeguards the money belonging to people of small means; lends money on Real Estate; enables the people to own their homes; increases taxable values and fosters happiness and contentment. No greater accommodation can be grantedindeed, The Savings Bank is a blessing to the community.

The Savings Bank does not invest its funds in either Real Estate or speculative securities. We want more depositors to line up with us. Security, accommodation and courtesy are offered by The Savings Bank second to none. Look over the list of our officers and directors. Nothing else need be said.

One dollar starts an account.

Out-of-town deposits receive immediate attention. Drafts, Letters of Credit and Travelers' Cheques issued on all parts of the world. Safe Deposit Boxes for rent.
